## Debt Recovery

### The Pitmans’ Perspective on: *Debt Recovery*

**“We offer an efficient, cost effective service and take pride in delivering a high level of service at competitive rates.”**

**What we do:** Our Debt Recovery service includes pre-action negotiations; letters of demand; issue of court proceedings and enforcement of judgments and orders made. We also offer an additional service involving the instigation of insolvency proceedings, both bankruptcy and winding up and assist with tracing and asset recovery.

**Our expertise:** Operating within Pitmans’ Dispute Resolution department, our highly experienced Debt Recovery team is one of the largest in the Thames Valley. As a team, our expertise is being able to blend our services to become an extension of our clients’ credit control process, speedily and seamlessly.

**Our service:** We are proud of our outstanding reputation as leaders in this field for delivering an extremely high level of professional service at competitive rates. We offer upfront fixed-fee charges. We operate a case management system. This provides an automated platform for volume debt recovery. It also gives clients direct online access. This allows us to carry out instructions quickly and efficiently - keeping costs to a minimum. We offer regular reporting, whenever a client feels this is necessary. We are also available for regular progress meetings.

**How we are different:** We are a founder member of Interact Europe, an association of law firms throughout Europe. This allows us to act as one entity with member firms. As such, we are able to provide a consistent level of speedy, cost-effective and high quality representation for international recoveries internationally.
