Media and Entertainment

The Pitmans’ Perspective on: *Media and Entertainment*

“As the industry becomes more sophisticated, so do we.”

What we do: We provide legal and commercial advice and support to all aspects of the media and entertainment industries on a wide range of issues.

Who we act for: We act for individuals, authors, artists, performers, composers and creatives. We also act for promoters, agents, producers, rights owners, sponsors, broadcasters, developers, publishers and record labels.

Our expertise: We specialise in all aspects of the media and entertainment industries, including music, events, theatre, film and television, marketing and advertising, sponsorship and computer games. Further details can be found in the industry sectors.

Our service: Our team has worked in many areas of the entertainment industry both in-house and in private practice. We have worked on some of the biggest and most complicated events ever staged and have introducing technological advances to an occasionally sceptical industry. We have always been prepared to break new ground and challenge traditional, out-dated industry practices.

Through our deep-understanding of the media and entertainment industry, we are able to provide fast, cost-effective and commercial advice to all our clients.
