Building Longstanding Client Relationships

A recent example of how Pitmans develops relationships with our dealership clients involves Ridgeway Group. Over twenty years we've supported Ridgeway's expansion from start-up to exit via the largest deal in the industry for a decade

With centres across the middle and south of England, Ridgeway Group is a multi-franchise dealer, offering leading new and used cars, vans and trucks. Ridgeway has 12 brand partnerships through 30 franchised dealerships, including Audi, BMW and Jaguar. In 2015, turnover was £722.6 million.

In May 2016 Ridgeway Group was acquired by Marshall Motor Holdings PLC. The deal made MMH the seventh largest car dealership in the UK with a £2.2 billion turnover.

With Pitmans Law you can be assured of the quality of advice and service you demand from a city law firm - but with a distinction. Pitmans provides legal advice to address our clients' needs across a wide range of industry sectors and specialisms including particularly strong specialist teams in pensions advisory, real estate, dispute resolution as well as corporate and commercial law. Our clients draw confidence from the top tier recognition Pitmans achieves in the industry benchmarking directories, Legal 500 and Chambers UK.
